

FORT TRYON PARK

WINTER WALK INTEREST LIST - 2023

Special Interest from Flowers, Fruits, Foliage, Bark, Buds, and More!

Billings Lawn

Blooming between November and March, timing depending on weather

- *Corylopsis pauciflora* – buttercup winter hazel
- *Helleborus* spp. and cvs. – Lenten roses

Conifers

- *Chamaecyparis obtusa* ‘Nana Gracilis’ – dwarf hinoki cypress
- *Juniperus conferta* ‘Blue Pacific’ – shore juniper
- *Juniperus virginiana* ‘Grey Owl’ – Eastern redcedar
- *Taxus baccata* ‘Repandens’ – English yew
- *Taxus* cvs. – yews

Interesting Fruits, Leaves, and Stems

- *Abelia x grandiflora* – glossy abelia
- *Crataegus viridis* ‘Winter King’ – green hawthorn
- *Kalmia latifolia* – mountain laurel
- *Magnolia virginiana* – sweetbay magnolia
- *Malus* cvs. – flowering crabapple cultivars

Billings Arcade Path

Blooming between November and March, timing depending on weather

- *Hamamelis mollis* ‘Goldcrest’ – Chinese witch hazel

Interesting Fruits, Leaves, and Stems

- *Ilex glabra* ‘Shamrock’ – inkberry
- *Ilex opaca* ‘Xanthocarpa’ – yellow-berried American holly
- *Pieris japonica* cv. – Japanese andromeda
- *Prunus laurocerasus* ‘Otto Luyken’ – cherry laurel
- *Yucca filamentosa* ‘Golden Sword’ – variegated yucca

Conifers

- *Picea orientalis* – oriental spruce
- *Pinus bungeana* – lacebark pine
- *Pinus flexilis* ‘Vanderwolf’s Pyramid’ – limber pine
- *Pinus parviflora* ‘Glaucua’ – blue-leafed Japanese white pine
- *Pinus strobus* – white pine
- *Pinus wallichiana* – Himalayan pine

Pine Lawn

Interesting Leaves

- *Yucca filamentosa* – Adam’s needle (growing in the eastern cliffside!)

Conifers

- *Pinus parviflora* ‘Brevifolia’ – short-leafed Japanese white pine
- *Pinus strobus* – Eastern white pine
- *Pinus strobus* ‘Pendula’ – weeping white pine
- *Pinus thunbergii* – Japanese black pine
- *Pinus wallichiana* – Himalayan pine

Margaret Corbin Circle

Blooming between November and March, timing depending on weather

- *Corylopsis pauciflora* – buttercup winter hazel
- *Corylus americana* – American filbert

Interesting Fruits, Leaves, and Stems

- *Callicarpa bodinieri* var. *giraldii* ‘Profusion’ – beautyberry
- *Euonymus fortunei* ‘Emerald Gaiety’ – variegated wintercreeper euonymus
- *Nandina domestica* ‘Gulf Stream’ – heavenly bamboo
- *Sarcococca hookeriana* var. *humilis* – sweetbox

Seasonal Arrangements at Corbin Circle & Linden Terrace stairs

- *Abies procera* – noble fir boughs
- *Calocedrus decurrens* ‘Maupin Glow?’ – gold-variegated incense-cedar boughs
- *Chamaecyparis pisifera* ‘Filifera Aurea’ – sawara falsecypress boughs
- *Pinus* sp. – pinecones
- *Pseudotsuga menziesii* – Douglas fir boughs
- *Salix* sp. – willow stems [painted red]
- *Taxus* sp. – yew boughs

WINTER WALK INTEREST LIST - 2023

Special Interest from Flowers, Fruits, Foliage, Bark, Buds, and More!

Heather Garden Area

Blooming between November and March, timing depending on weather

- *Abelia* 'Rose Creek' - dwarf abelia (red calyces)
- *Berberis* (*Mahonia*) *aquifolium* 'Orangee Flame' - Oregon grape-holly
- *Corylopsis pauciflora* - buttercup winter hazel
- *Corylus americana* - American hazelnut
- *Crocus chrysanthus*, *C. c.* 'Cream Beauty', *C. minimus*, *C. tommasinianus* 'Lilac Beauty' and others - snow, species, and early crocuses
- *Daphne x transatlantica* 'Jim's Pride' - daphne
- *Edgeworthia chrysantha* - paperbush
- *Erica carnea* cvs. - winter heath cultivars
- *Erica x darleyensis* cvs. - Darley Dale heath cultivars
- *Galanthus elwesii*, *G. nivalis* - snowdrops
- *Hamamelis mollis* 'Wisley Supreme'; *H. x intermedia* 'Arnold Promise', 'Jelena', 'Pallida' - witch hazels
- *Helleborus foetidus* - stinking hellebore
- *Helleborus* ssp. and cvs., including 'HGC Merlin', 'HGC Pink Frost', 'HGC Love Bug', 'Brandywine', Lady Series, 'Penny's Pink', Royal Heritage Strain - Christmas roses/hellebores/Lenten roses
- *Helleborus x nigercors* - black hellebore
- *Iris* 'George', 'Katharine Hodgkin' - dwarf irises
- *Pieris japonica* 'Dorothy Wyckoff', 'Little Heath' - Japanese pieris

Evergreen Foliage (often colorful) from Conifers & Broadleaf Evergreens

- *Berberis* (*Mahonia*) *aquifolium* 'Orangee Flame' - Oregon grape-holly
- *Buxus* 'Green Velvet' - boxwood
- *Calluna vulgaris* cvs. - Scotch heather cultivars
- *Cedrus deodara* 'Prostrate Beauty' - Deodar cedar
- *Chamaecyparis obtusa* 'Mariesii' - Maries' hinoki cypress
- *Chamaecyparis pisifera* 'Juniperoides Aurea' - dwarf golden false plume cypress
- *Cryptomeria japonica* 'Globosa Nana' - dwarf Japanese cedar
- *Daphne x transatlantica* 'Jim's Pride' - daphne
- *Erica carnea* cvs. - winter heath cultivars

- *Erica x darleyensis* cvs. - Darley Dale heath cultivars
- *Euonymus fortunei* 'Emerald Gaiety' - variegated wintercreeper euonymus
- *Euonymus kiautschovicus* 'Manhattan' - Manhattan spreading euonymus
- *Juniperus chinensis* var. *sargentii* - Sargent juniper
- *Juniperus conferta* 'Blue Pacific', 'Emerald Sea', 'Silver Mist' - shore junipers
- *Juniperus horizontalis* 'Blue Chip', 'Limeglow', 'Wiltonii' - creeping junipers
- *Juniperus squamata* 'Blue Star' - single seed juniper
- *Juniperus virginiana* 'Grey Owl' - Eastern redcedar
- *Leucothoe fontanesiana* 'Compacta' - dwarf drooping leucothoe
- *Mahonia* sp. - Oregon grape-holly species
- *Microbiota decussata* - Russian arborvitae
- *Picea orientalis* 'Nigra Compacta' - oriental spruce
- *Picea pungens* 'Montgomery' - dwarf blue spruce
- *Pieris japonica* 'Dorothy Wyckoff', 'Little Heath' - Japanese pieris
- *Pinus densiflora* 'Low Glow' - dwarf Japanese red pine
- *Pinus mugo* var. *pumilio* - dwarf Swiss mountain pine
- *Pinus parviflora* 'Goldilocks' - Japanese white pine
- *Pinus strobus* - eastern white pine
- *Prunus laurocerasus* 'Otto Luyken', 'Schipkaensis' - cherry laurel, Schip laurel
- *Rhododendron* (*Azalea*) 'Autumn Amethyst', 'Blaauw's Pink', 'Delaware Valley White', 'Girard Renee Michelle', 'Gumpo White', 'Pleasant White' - evergreen azaleas
- *Rhododendron* 'Calsap', 'English Roseum', 'Olga Mezitt', 'Weston's Aglo' - rhododendrons
- *Rhododendron catawbiense* 'Chionoides', 'Roseum Elegans' - Catawba rhododendrons
- *Rhododendron maximum* - rosebay rhododendron
- *Sarcococca hookeriana* var. *humilis* - sweetbox
- *Taxus baccata* 'Repandens' - English yew
- *Teucrium chamaedrys* - wall germander
- *Thuja occidentalis* 'Fire Chief' - globe arborvitae
- *Yucca filamentosa* - Adam's needle yucca

WINTER WALK INTEREST LIST - 2023

Special Interest from Flowers, Fruits, Foliage, Bark, Buds, and More!

Evergreen/Semi-Evergreen Perennials (often with colorful foliage)

- *Ajuga reptans* 'Black Scallop', 'Burgundy Glow', 'Catlins Giant', 'Chocolate Chip', 'Mahogany' - bugleweeds
- *Asarum europaeum* - European wild ginger
- *Cerastium biebersteinii* - snow-in-summer
- *Dryopteris erythrosora* 'Brilliance' - autumn fern
- ***Dryopteris marginalis* - marginal wood fern***
- *Euphorbia amygdaloides* ssp. *robbiae* - wood spurge
- *Geranium macrorrhizum* 'Bevan's Variety', 'Ingwersens Variety', 'Spessart' - bigroot geraniums
- *Iberis sempervirens* 'Alexander's White', 'Snowflake', 'Snowsurfer Forte' - candytufts
- *Lamium maculatum* 'Purple Dragon' - spotted dead nettle
- *Liriope muscari* 'Big Blue' - liriope
- *Liriope muscari* 'Silvery Sunproof', 'Variegata' - variegated liriope
- *Liriope spicata* - creeping liriope
- *Ophiopogon planiscapus* 'Ebony Knight' - black mondo grass
- *Pachysandra terminalis* - Japanese spurge
- *Phlox subulata* 'Emerald Blue' and cvs. - moss phlox cultivars
- *Sedum rupestre* 'Angelina' - stonecrop
- *Sedum spurium* 'John Creech' - Caucasian stonecrop

Colorful Foliage Persisting into Winter

- *Amsonia hubrichtii* - blue star amsonia
- *Bergenia* 'Bressingham Ruby', *B. cordifolia* 'Red Beauty' and others - pigsqueaks
- *Ceratostigma plumbaginoides* - plumbago
- *Epimedium* spp. and cvs., including 'Frohnleiten' and 'Sulphureum' - barrenwort cultivars
- *Hakonechloa macra* 'Aureola' - golden Japanese forest grass
- *Heuchera* 'Blackout', 'Caramel', 'Frosted Violet', 'Mocha', '**Northern Exposure Black***', '**Northern Exposure Siena***', 'Plum Pudding', 'Silver Scrolls'; *H. x brizoides* 'Chatterbox' - coral bells
- *Heuchera villosa* 'Bronze Wave' - hairy alum root
- *Hypericum* 'Hidcote'; *Hypericum androsaemum*

'Albury Purple' - St. John's worts

- *Lavandula angustifolia* 'Compacta', 'Munstead' - English lavenders
- *Lavandula x intermedia* 'Phenomenal', 'Provence' - lavandins
- *Persicaria affinis* 'Darjeeling Red', 'Dimity' - fleecyflowers
- *Pulmonaria* 'Raspberry Splash' - lungwort
- *Pulmonaria saccharata* 'Mrs. Moon' - Bethlehem sage
- *Salvia officinalis* 'Berggarten' - garden sage
- *Sedum rupestre* 'Angelina' - stonecrop
- *Stachys byzantina*, *S. b.* 'Helene von Stein' - lamb's ears

Interesting Buds

- *Edgeworthia chrysantha* - paperbush
- *Magnolia stellata* - star magnolia
- *Pieris japonica* 'Dorothy Wyckoff', 'Little Heath' - Japanese pieris
- Rhododendrons like *Rhododendron* 'Calsap', 'English Roseum', 'Jenny Tabol', 'Olga Mezitt', 'Weston's Aglo'; *Rhododendron catawbiense* 'Chionoides' and 'Roseum Elegans'; *Rhododendron maximum*

Interesting Fruits

- *Callicarpa bodinieri* var. *giraldii* 'Profusion' and *C. dichotoma* 'Early Amethyst' - beautyberries
- *Cephalanthus occidentalis* - buttonbush
- *Cotoneaster* species and cultivars, including *C. apiculatus* (cranberry cotoneaster) and *C. horizontalis* (rock cotoneaster)
- *Crataegus viridis* 'Winter King' - green hawthorn
- *Euonymus kiautschovicus* 'Manhattan' - Manhattan spreading euonymus
- *Ilex verticillata* 'Winter Red' - winterberry
- *Malus x morelandii* 'Profusion' - flowering crabapple
- *Prunus laurocerasus* 'Otto Luyken' and 'Schipkaensis' - cherry laurel and Schip laurel
- *Pyracantha coccinea* - scarlet firethorn
- *Rhus typhina* - staghorn sumac
- *Taxus* spp. - yews

WINTER WALK INTEREST LIST - 2023

Special Interest from Flowers, Fruits, Foliage, Bark, Buds, and More!

Heather Garden Area, continued...

Interesting Dried Flower Heads or Seed Pods

- *Allium* 'Millenium' - ornamental onion
- *Anemone tomentosa* 'Robustissima' - grapeleaf anemone
- *Anemone x hybrida* 'Honorine Jobert', 'Queen Charlotte', 'September Charm' - Japanese anemones
- *Echinacea purpurea* 'Magnus', 'PowWow White', 'PowWow Wild Berry', 'White Swan' - coneflowers
- *Hydrangea anomala* subsp. *petiolaris* - climbing hydrangea
- *Hydrangea arborescens* 'Annabelle', 'Haas Halo', ssp. *radiata* 'Samantha', and others - smooth hydrangeas
- *Hydrangea macrophylla* 'Abracadabra', 'All Summer Beauty', 'Nikko Blue', 'Twist-and-Shout', 'Zorro', and others - bigleaf hydrangeas
- *Hydrangea paniculata* 'Quick Fire', 'Tardiva' - panicle hydrangeas
- *Hydrangea quercifolia* 'Alice', 'Pee Wee', 'Snow Flake', 'Snow Queen' and others - oakleaf hydrangea
- *Hydrangea serrata* 'Fuji Waterfall' - mountain hydrangea
- *Hylotelephium (Sedum)* 'Autumn Joy' - showy stonecrop
- *Limonium latifolium* - sea lavender
- *Matteuccia struthiopteris* - ostrich fern
- *Solidago rugosa* 'Fireworks' - rough goldenrod
- *Solidago sphacelata* 'Golden Fleece' - goldenrod

Interesting Bark

- *Acer griseum* - paperbark maple
- *Betula* sp. - birch species
- *Cornus sericea* 'Cardinal' - red twig dogwood
- *Crataegus viridis* 'Winter King' - green hawthorn
- *Hydrangea anomala* subsp. *petiolaris* - climbing hydrangea
- *Hydrangea quercifolia* 'Alice', 'Pee Wee', 'Snow Flake', 'Snow Queen' - oakleaf hydrangeas
- *Physocarpus opulifolius* 'Little Devil' - ninebark
- *Salix repens* ssp. *argentea* - silverleaf creeping willow

Winter Structure

Too many to list here, but look for plants with interesting forms and shapes from branches and stems

****new cultivar this season***

WINTER WALK INTEREST LIST - 2023

Special Interest from Flowers, Fruits, Foliage, Bark, Buds, and More!

New Leaf Café Berm & Sunrise Slope

Along path from Heather Garden north to New Leaf Café front entrance and just beyond

Blooming between November and March, timing depending on weather

- *Abelia x grandiflora* 'Sherwoodii' – glossy abelia
- *Berberis julianae* – wintergreen barberry
- *Helleborus x hybridus* – Lenten rose
- *Magnolia grandiflora* 'Edith Bogue' – large-flowered magnolia
- *Pieris x 'Brouwer's Beauty'* - Japanese andromeda

Conifers

- *Picea glauca* – white spruce
- *Pinus parviflora* 'Glauca' – Japanese white pine
- *Pinus strobus* – Eastern white pine
- *Taxus sp.* – yews

Cloister Lawn Area and Path

Blooming between November and March, timing depending on weather

- *Cornus mas* – cornelian cherry dogwood
- *Helleborus x hybridus* 'Burgundy' – Lenten rose

Interesting Fruits, Leaves, and Stems

- *Betula nigra* – river birch
- *Poncirus trifoliata* – trifoliolate orange

Conifers

- *Chamaecyparis obtusa* 'Nana Gracilis' – dwarf hinoki cypress
- *Chamaecyparis pisifera* 'Sungold' – sawara falsecypress
- *Lavandula angustifolia* 'Munstead' – English lavender
- *Juniperus virginiana* 'Grey Owl' – Eastern redcedar
- *Picea mariana* 'Nana' – dwarf black spruce
- *Pinus mugo* – Swiss mountain pine

Southern Comfort

Area below and southeast of Linden Terrace

Blooming between November and March, timing depending on weather

- *Cornus mas* – cornelian cherry dogwood
- *Hamamelis mollis* 'Goldcrest' – Chinese witch hazel
- *Helleborus x hybridus* – Lenten rose
- *Sarcococca hookeriana* var. *humilis* – sweetbox

Interesting Fruits, Leaves, and Stems

- *Arum italicum* – lords and ladies
- *Buxus* 'Green Velvet' – boxwood
- *Callicarpa bodinieri* var. *giraldii* 'Profusion' – beautyberry
- *Ilex crenata* 'Convexa' – Japanese holly
- *Ilex glabra* – inkberry holly
- *Magnolia ashei* – Ashe magnolia
- *Magnolia macrophylla* – bigleaf magnolia
- *Magnolia virginiana* – sweetbay magnolia
- *Mahonia aquifolium* – Oregon grape-holly
- *Malus* 'Sugar Tyme' – flowering crabapple
- *Rhododendron sp.* – rhododendron species
- *Rosa caroliniana* – Carolina rose

Abby's Lawn

Below and north of Linden Terrace

Blooming between November and March, timing depending on weather

- *Helleborus* spp. – Lenten Rose species

Interesting Fruits, Leaves, and Stems

- *Aucuba japonica* 'Rozannie' – Japanese aucuba
- *Leucothoe fontanesiana* – fetterbush
- *Miscanthus sinensis* – eulalia grass
- *Rhododendron catawbiense* 'Roseum Elegans' – Catawba rhododendron

Conifers

- *X Cupressocyparis leylandii* – Leyland cypress
- *Pinus strobus* 'Pendula' – weeping white pine

WINTER WALK INTEREST LIST - 2023

Special Interest from Flowers, Fruits, Foliage, Bark, Buds, and More!

Arden Street Entrance Garden & Anne Loftus Playground

Blooming between November and March, timing depending on weather

- *Cornus mas* – cornelian cherry dogwood
- *Corylopsis pauciflora* – buttercup winter hazel
- *Hamamelis x intermedia* 'Diane' – witch hazel
- *Helleborus* 'Brandywine' and other cvs. – Lenten roses

Interesting Fruits, Leaves, and Stems

- *Cornus mas* – cornelian cherry dogwood
- *Cornus* cv. – red twig dogwoods
- *Euonymus kiautschovicus* 'Manhattan' - Manhattan spreading euonymus
- *Ilex x meserveae* – Meserve hybrid holly
- *Malus* cv. – flowering crabapples
- *Nandina domestica* – heavenly bamboo

Conifers

- *Cedrus atlantica* 'Glauca' – blue atlas cedar
- *Cryptomeria japonica* – Japanese cedar
- *Taxus* sp. – yews

Dongan Place Entrance

Blooming between November and March, timing depending on weather

- *Cornus mas* – cornelian cherry dogwood
- *Helleborus argutifolius* – Corsican hellebore
- *Helleborus* 'Brandywine' – Lenten rose

Interesting Fruits, Leaves, and Stems

- *Carex morrowii* 'Ice Dance' – Japanese sedge
- *Chasmanthium latifolium* – northern sea oats
- *Cornus mas* – cornelian cherry dogwood
- *Dryopteris erythrosora* 'Brilliance' – autumn fern
- *Hydrangea quercifolia* – oakleaf hydrangea
- *Ilex aquifolium* – English holly
- *Ilex crenata* – Japanese Holly
- *Prunus laurocerasus* 'Schipkaensis' - Schip laurel

Conifers

- *Chamaecyparis pisifera* 'Golden Mop' – falsecypress
- *Ilex aquifolium* – English holly
- *Pinus strobus* – eastern white pine
- *Taxus* sp. – yews

Bennett Avenue Entrance

Blooming between November and March, timing depending on weather

- *Cornus mas* – cornelian cherry dogwood
- *Crataegus viridis* 'Winter King' – green hawthorn
- *Crocus tommasinianus* 'Ruby Giant' – early crocus
- *Helleborus argutifolius* – Corsican hellebore
- *Helleborus* 'Brandywine', *H. x hybridus* 'Anna's Red' – Lenten roses

Interesting Fruits, Leaves, and Stems

- *Carex morrowii* 'Ice Dance' – Japanese sedge
- *Cercis canadensis* 'Whitewater' – weeping variegated eastern redbud
- *Chasmanthium latifolium* – northern sea oats
- *Corylopsis paucifolia* – buttercup winter hazel
- *Crataegus phaenopyrum* – Washington hawthorn
- *Dryopteris erythrosora* 'Brilliance' – autumn fern
- *Hakonechloa macra* 'All Gold' – golden Japanese forest grass
- *Lamium maculatum* 'Purple Dragon' – spotted deadnettle
- *Mahonia bealei* – leatherleaf grape-holly
- *Microbiota decussata* – Russian arborvitae
- *Prunus laurocerasus* 'Otto Luyken' - cherry laurel

Conifers

- *Cryptomeria japonica* – Japanese cedar
